*The foundation of construction in South Texas.*

## **SAFETY & HEALTH COMMITTEE**

Mission: Equip members with the necessary education and training to help them perform their work in a safe, efficient, productive, and cost effective manner, while also providing members with important information on specific safety topics.

## **MEMBERSHIP COMMITTEE**

Mission: Identify, contact and recruit new ABC members, assist with membership retention, and increase involvement of all members in ABC activities.

## **WORKFORCE DEVELOPMENT COMMITTEE**

Mission: Provide the necessary construction related education courses and apprenticeship training to create a skilled and productive workforce for a career in construction, from entry level through upper management.

## **GOLF COMMITTEE**

Mission: Organize the Spring & Fall golf tournaments at venues that generate entertainment and networking opportunities for our members.

## **SOCIAL COMMITTEE**

Mission: Develop events with venues and themes that generate information, entertainment and business development opportunities for our members.

## **GALA COMMITTEE**

Mission: Organize the annual "Excellence in Construction" Awards Banquet and the Construct A Kids Christmas Gala.

## **SPORTSMAN'S COMMITTEE**

Mission: Plan the annual Sporting Clay Shoot and the Barbeque Cook-Off at a venue that accommodates this growing networking opportunity for our members.

## **GOVERNMENT AFFAIRS COMMITTEE**

Mission: Establish lines of communication and relationships between the ABC South Texas Chapter and the various local, state, and national elected officials to discuss issues of interest and concern to the construction industry; work with other business organizations to address issues of common interest; seek to have individuals supportive of ABC's philosophy elected or appointed to office, boards or commissions. Provide input on proposed ordinances, regulations and legislation. Monitor state and federal court activities to determine appropriate actions.

## **REGISTRATION COMMITTEE**

Mission: Staff registration at all ABC events and insure attendees are handled promptly and courteously.

## **GREEN BUILDING COUNCIL**

Mission: Develop workshops to teach awareness, understanding and implementation of green building principles and the LEED Rating Systems.

Through involvement on one of our ten committees, you and the ABC South Texas Chapter can accomplish the goals and action plans designed to make the organization the voice of the construction industry. Whether you have a desire to learn more about a specific aspect of the organization, or have the needed skills to complete a project, your involvement is critical to the success of the organization.

Please take time to review each ABC-South Texas Chapter committee to see where your interests, needs, and expertise can best be utilized. There are also opportunities for other members of your company to get involved as well.
